NVIDIA GeForce™ 600 Series  
  
AMD® RADEON® HD 2000 Series - HD 2900  
AMD® RADEON® HD 3000 Series - HD 3800  
AMD® RADEON® HD 4000 Series  
AMD® RADEON® HD 5000 Series  
AMD® RADEON® HD 6000 Series  
AMD® RADEON® HD 7000 Series

These drivers have been tested with Far Cry® 3 Blood Dragon:  
-----

AMD® Catalyst 13.1  
NVIDIA GeForce 310.09, 314.07, 314.22

For the most up-to-date minimum requirement listings, please visit the FAQ for this game on our support website at <http://support.ubi.com>.

---

### 1.1. Language Selection

The language selected at the start of the installation is the language that will be used in-game. To change the language, please uninstall and reinstall the game.

---

### 1.2. Uninstallation

Far Cry® 3 Blood Dragon can be uninstalled from the Add/Remove Programs icon located in the Control Panel (Start->Settings->Control Panel). Locate the Far Cry® 3 Blood Dragon entry and click on the Change/Remove button, then follow the instructions on-screen to uninstall the game.

---

## 2. General Notes

---

### 2.1. Display/Performance Settings

The Graphical Settings can directly impact the memory usage of the game. If your computer lacks RAM memory, these settings should be lowered down accordingly.

There are some video card drivers that may cause flickering and disappearing objects. It is important to make sure the latest available drivers are installed.

---

### 2.2. Optimal Settings

When launching the game for the first time, the game will attempt to detect the optimal settings for your system by default. If the game is unable to fully identify your computer, then the optimal setting is going to be medium or high.

---

### 2.3. Uplay PC

This game requires a one-time online activation via Uplay PC.

Create a new Uplay account in the Uplay application or at Uplay.com or use your existing Uplay account and the Unique Key that came with your game to bind the

game to your account.

Launching the game after this one-time application is possible in online and offline mode. Not all game functionality is available in Offline Mode.

For Uplay licenses see the installation directory of the Uplay application and check the data\resources\LICENSES.TXT file

For support with the Uplay PC application visit:  
<http://cs.ubi.com/>

=====

### 3. Known Issues

=====

#### 3.1. Installing Graphics and Motherboard Drivers

If you experience any graphical problems, please install the latest video and motherboard drivers available for your Graphics Card. Links to the most popular Graphics Card and motherboard manufacturers are available at the bottom of this document.

-----

#### 3.2. Installing Sound Drivers

If you experience any sound problems, please install the latest sound drivers available for your sound card. Links to the most popular sound card manufacturers are available at the bottom of this document.

-----

#### 3.3. Installing DirectX

Far Cry® 3 Blood Dragon requires DirectX runtime libraries from June 2010 or later to run properly. To get the latest version of DirectX, please visit:

<http://www.microsoft.com/download/>

DirectX is also provided on the install disc in the folder Support\DirectX and automatically installed when you install Far Cry® 3 Blood Dragon.

If you receive an error message about missing DLL files, reinstall DirectX from the install disc to correct the problem.

-----

#### 3.4. Hints

\* It is not advisable to install the game into the Windows folder (usually C:\Windows), a subfolder of the Windows folder, nor the root of the system

ReadMe.txt

drive (usually C:\).

- \* It is recommended to close all other running programs before installing the game, to reduce the risk of software conflicts.
- \* If you experience graphical corruption, make sure your graphics driver's control panel is not configured to override application settings.
- \* Vibration support is only supported if using the Xbox 360 controller.

=====  
4. Important Web Sites, Contact Information and Technical Support  
=====

=  
4.1. Technical Support

Before contacting Ubisoft Entertainment's Technical Support Department, please browse through our FAQ listings or search our support database at our website: <http://support.ubi.com>. Here you will find the most recently updated information since the game's release.

Also please make sure that your computer meets the minimum system requirements, as our support representatives will be unable to assist customers whose computers do not meet these criteria.

Whenever you contact the Technical Support Department, please include the following information or have it available if you are calling:

- Complete product title (including version number)
- Exact error message reported (if applicable) and a brief description of the problem you're encountering
- Processor speed and manufacturer
- Amount of RAM
- Operating system
- Graphics Card that you are using and amount of RAM it has
- Make and speed of your CD-ROM or DVD-ROM drive
- Type of sound card you are using

Contact Us via the Internet

This is the best way to contact us. Our website is open 24 hours a day, 7 days a week, and it contains the most up-to-date Technical Support information available, including patches that can be downloaded free of charge. We update the Support pages on a daily basis so please check here first for solutions to your problems:  
<http://support.ubi.com/>.

## ReadMe.txt

### Contact Us by E-mail

For fastest response via e-mail, please visit our website at:

<http://cs.ubi.com/en-GB/>

From this site, you will be able to enter the Ubisoft Entertainment Solution Center where you can browse through our listings of Frequently Asked Questions (FAQ), search our database of known problems and solutions, or, for fastest e-mail response, you can send in a request for Personal Assistance from a Technical Support Representative.

It may take up to 72 hours for us to respond to your e-mail depending upon the volume of messages we receive.

### Contact Us by Phone

You can also contact us by phone by calling 0871 664 1000. Note that this number is for technical assistance only. No hints or tips are given over the Technical Support line. When calling our Technical Support line, please make sure you are in front of your computer and have all of the necessary information listed above at hand.

Be advised that our Technical Support Representatives are available to help you Monday-Friday from 9 am-9 pm (Eastern Standard Time). While we do not charge for technical support, normal long-distance charges apply. To avoid long-distance charges, or to contact a support representative directly after these hours, please feel free to use one of the other support avenues listed above.

### Contact Us by Standard Mail

If all else fails you can write to us at:

UBISOFT  
1st Floor Chertsey Gate East  
London Street  
Chertsey  
Surrey  
KT16 8AP

### Return Policy

Please do not send any game returns directly to Ubisoft before contacting Technical Support. It is our policy that game returns must be dealt with by the retailer or online site where you purchased the product. If you have a damaged or scratched game disk, please visit the FAQ listing for your game and get the latest replacement policy and pricing. We will not accept unsolicited returns/exchanges without prior approval and an RMA (Return Materials Authorization) number from a support representative.
